Aside from minor edits to wording for clarity or simplicity, the only substantive changes are as follows:

Clause reference	What's changed
Recitals – last paragraph	New paragraph at the end to clarify that we don't process personal data of minors
Part 4	A new section to deal with personal data processed in relation to our vendors and business partners
Part 5 – How else we may share personal information	New bullet point called 'Other' to explain if and how we may share your data with other data controllers not already mentioned
Part 5 – Anonymous data	New paragraph explaining the extent to which we may anonymise personal data and/or share it
